

WWC Check Information Session - Christmas Island

The Working with Children (WWC) Screening Unit will be visiting Christmas Island from 23 to 27 May 2017. We invite interested community members to attend an information session about WWC Checks and creating safer environments for children and young people. This session will be particularly useful for anyone who runs activities or services for children.

While on island we are available to meet with organisations and groups to learn more about your services and offer any support and information about WWC Checks. To arrange a meeting call (08) 6217 8100 or email WWCEvents@cpfs.wa.gov.au.
